# Served: We reach over 1,000 Yolo County community members each year with outreach and programming. This includes programs serving 350 breast cancer thrivers.

Helping those in Yolo County impacted by breast cancer to thrive by providing a compassionate network of support and resources in partnership with the community.

### PROGRAMS

**Granting Pink:** Financial grants to help the Yolo County breast cancer community with immediate and direct needs such as medical copays, mental health services, transportation and childcare.

**Mentoring Pink:** Professional and peer led programs including twice monthly educational workshops, an annual renewal retreat, a post-treatment support group, one on one peer mentoring.

**Partnering Pink:** Community based outreach and education on breast cancer, early detection, prevention and the services available through Thriving Pink. Annual volunteer day and year-round volunteer activities.

**ProspeROSA:** Outreach, education and peer support for the Latino and Spanish speaking community.
